

## Square Audio Visual Panel

AVP-500-02 / AVP-500-SQUARE

This secure visual panel has a built-in electronic speech system and call button to enable communication between secure and non-secure areas. The aperture system in the front panel is for the transfer of small items (such as transaction slips).

The panel is fitted with a privacy screen to the rear which, when closed, prevents through-vision to the secure area when not in use.

### Physical Data

Dimensions	Width – 500mm (19.69") Height – 500mm (19.69") Depth – 117mm (4.61")  Fitting aperture required: Width – 454mm (17.87") Height – 454mm (17.87")
